

Pride of the Pack

Sep 2002

Cubmaster:

10, 9, 8, 7, 6, 5, 4, 3, 2, 1, BLASTOFF.

A special welcome to all of our new scouts, their parents, and visitors. Welcome to an exciting year of Cub Scouts. Our theme this month is Blastoff. I hope you have learned something new about space this month. I am looking forward to having more fun each week as we play games, make crafts and learn new and exciting things. Next months theme is "It's a Jungle of Fun". I can only imagine the things we are going to do. Get yourselves ready for our fall camp out which is quickly approaching on October 26th. The only dumb question is the one that is not asked. Please don't be embarrassed to ask us questions. We were all new to scouting at one time and we are still learning too. Bobby D.

Tiger:

Search Discover Share...is our Tiger Cub Motto. So far all of our Tigers have learned this and the rest of the requirements to be awarded their belt totem.

We have enjoyed playing several games and meeting new friends. We have made a cool space helmet, blasted off a paper bag space ship and made and ate some cool space man food. Soon we are going to visit WHRO to check out some space videos and learn how TV is used to communicate with people. Our time has been "Out of this world". Bobby and Tom

Wolf:

As a group, the Wolf scouts have been reviewing expectations and rules of the scouting program, as well as welcoming new scouts to the pack. In the near future they will be working on their Den Flag and Den Motto. Gilbert

Webelos II:

The Webelos II are currently working on their Family Member Activity Badge. At our first Den meeting, we worked on our Den Motto and a draft for our Den Flag. As the leader of the Den 4, Flaming Eagles, I can say that we are busy working towards the Arrow of Light Award. Steve Weekly

Committee Corner:

Join in the fun of Scouting! Don't be left out of deciding what events, activities, and learning opportunities your son will participate in throughout his Scouting career!

Your Pack Committee meets the last Friday of every month during the Den Meetings. We help plan Pack activities and put those plans into action. Parents who join the committee not only have fun, but we show our boys what it means to help our community and it affords us the opportunity to spend more time with them.

Parents are needed to fill the open Committee positions below. Please see Erika Owens or any Committee Member to join. It will only take a few minutes of your time to gain a lifetime of special memories.
